

Brats, Bean Bags and Big winners!

September 12th, 2013

Seventh Annual BeanBag & BBQ, hosted by IIE Twin Cities, was yet again a success!! Thanks to everyone who participated in this annual opportunity to take a minute to get to know your fellow IE's with no other agenda than to kick butt on the Bean Bag playing field and partake in a feast of burgers and brats. If we didn't see you this year, we will look for you at another event in the near future!

As always, please feel free to contact us with your suggestions and/or questions regarding this or any other networking, learning and benchmarking opportunities you may have in mind at IIE TwinCites@Gmail.com.

Also, please check out [IIE Twin Cities](#) group on [Linked In](#) where you can post job opportunities, share outreach and networking opportunities for your fellow Industrial Engineers!
