

It has been an exciting year for IIE Twin Cities tours, presentations, workshops, and networking events. To close out the year IIE TC invited members to get together for a night of bowling and socializing at Brunswick Zone in Blaine. For those keeping track both times events were held at Brunswick Zone the weather hasn't been the greatest, but that is Minnesota for ya. The group was split up randomly on two lanes. Come to find out that lane 37 had all the scratch bowlers. Everyone bowled over 130 while lane 38 everyone bowled under 120.

We have a few folks leaving the board. A special thanks to Kelly Minchow, Corin Hammitt, and Marta Bogenschultz for volunteering their time this last year on the board, and a very special thanks to Christy Strong for volunteering her time for the last 10 years on the board. As we come into the New Year planning has already started for exciting events in 2014. Congratulations to the three newest board members, Allison Shaver, Britta Rowan, and Ryan Adams.

IIE Twin Cities is also pleased to announce the 4 Student Scholarship Winners!
