Annual Bean Bag Tournament and BBQ, July 2014

The annual IIE Twin Cities Bean Bag Tournament BBQ continues to be one of our most successful of the year. Apparently IEs enjoy beverages, grilling, bean bags, and networking on beautiful July days! Past President, Eric Situmbeko, worked tirelessly behind the grill to cook up some mean burgers and brats. Student Liaison, Ryan Adams, brought a photo booth with props and folks were able to get goofy for the camera! Thank you to everyone who came and took part in the fun. Congratulations to Josh Gravelink and Kyle Schroeder for winning the Bean Bag tournament this year and to John Spriggs and Matt Ladhoff for being runner's up!
