

## Past Event Recap

*End of Year Social and Toys for Tots Collection, December 2014*

2014 was a year full of exciting industry tours, valuable member training and networking opportunities, and a lot of fun for IIE Twin Cities! We celebrated success and shared plans for the New Year over some local brews at Indeed Brewing Company.

This year's holiday social also included a charitable activity, and we challenged members to show up with a toy donation for Toys for Tots in return for free admission to the event. The toy drive was a big success, with over 15 donations collected and dropped off to Toys for Tots in the holiday spirit.

Cheers to a successful year and holiday season behind us, and wishes for a Happy New Year to IIE Members and their families!
